

# JOIN ONE AHY200

All-in-One Video Conferencing Solution  
for Huddle Rooms, Small Meeting Rooms & Online Teaching

# 4 in 1 Design

All You Need for a Video Meeting.

Camera

Microphone

Speaker

Android OS

# Quality Video Experience

8 MP camera with 4 x EPTZ zoom, support 1080p@30fps video conferencing and 4K recording, everyone is vividly presented.

# Professional Video Processing Capability

Powered by industrial-leading Rockchip RK3399 for professional video processing: de-interlacing, denoising, edge/detail/color optimization, enhancing your natural beauty in any video conference.

## Premium Audio Performance

- Built-in hi-fi full-band speaker brings immersive meeting experience.
- 2 omnidirectional microphone arrays with AGC, AEC and ANS.
- Voice can be picked up in optimal range of 5 meters and farthest 10 meters. With expansion Mic, the voice pick-up can reach 15 meters.

# Easy Set-up

Power + Network + HDMI, setting up a video meeting is that simple.

# Breathing LED Indicator

Power on with classic blue marquee lighting effect, turns green while on standby.

The light will remain blue when camera is in use.

# Compatible with most video collaboration apps

# Support dual screen display

Two displays can be connected at the same time to AHY200 for video conferencing. They can display the same content, or differently with one for video screen and the other for content sharing, which brings more collaborative and efficient meeting experience.

# Bring your own meeting

The pre-installed Eshare Pro software makes AHY200 the wireless presentation system in your office. It's not only for local meeting, but also for remote video conferencing to share your laptop content with participants on the other side.

# Embedded whiteboard & annotation

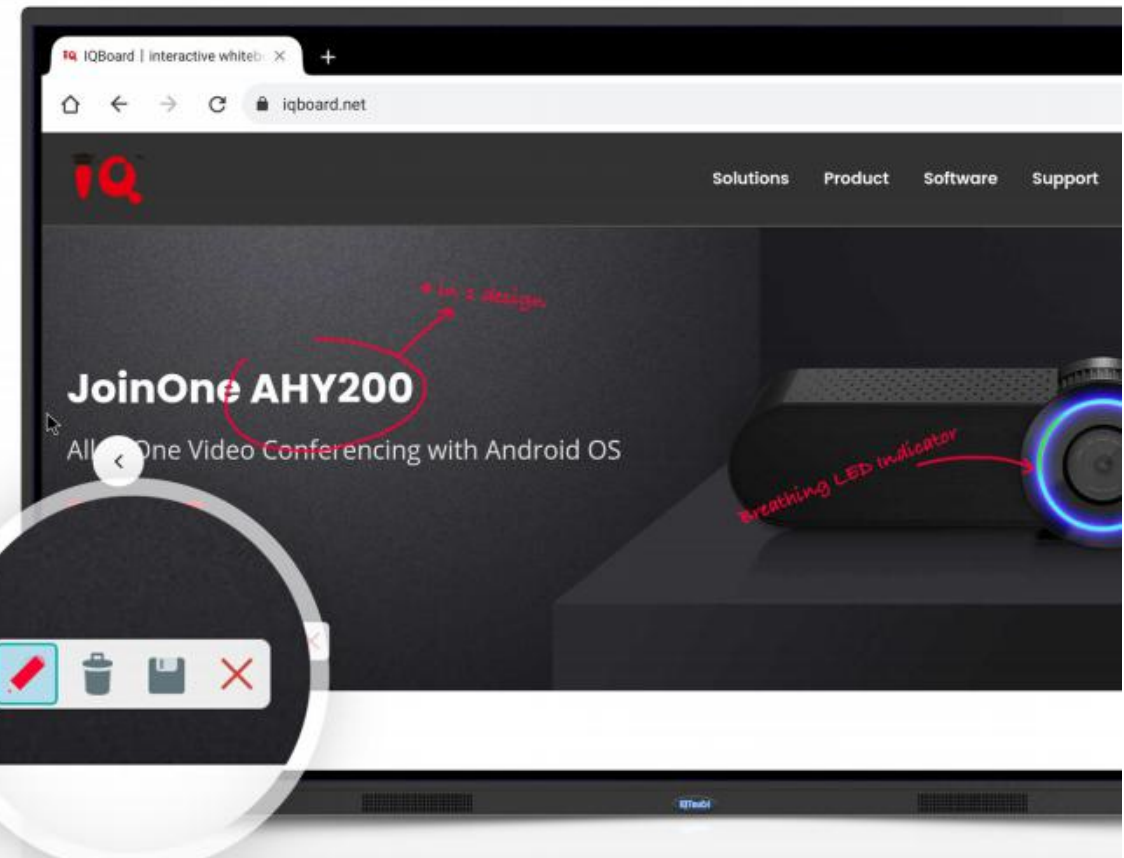

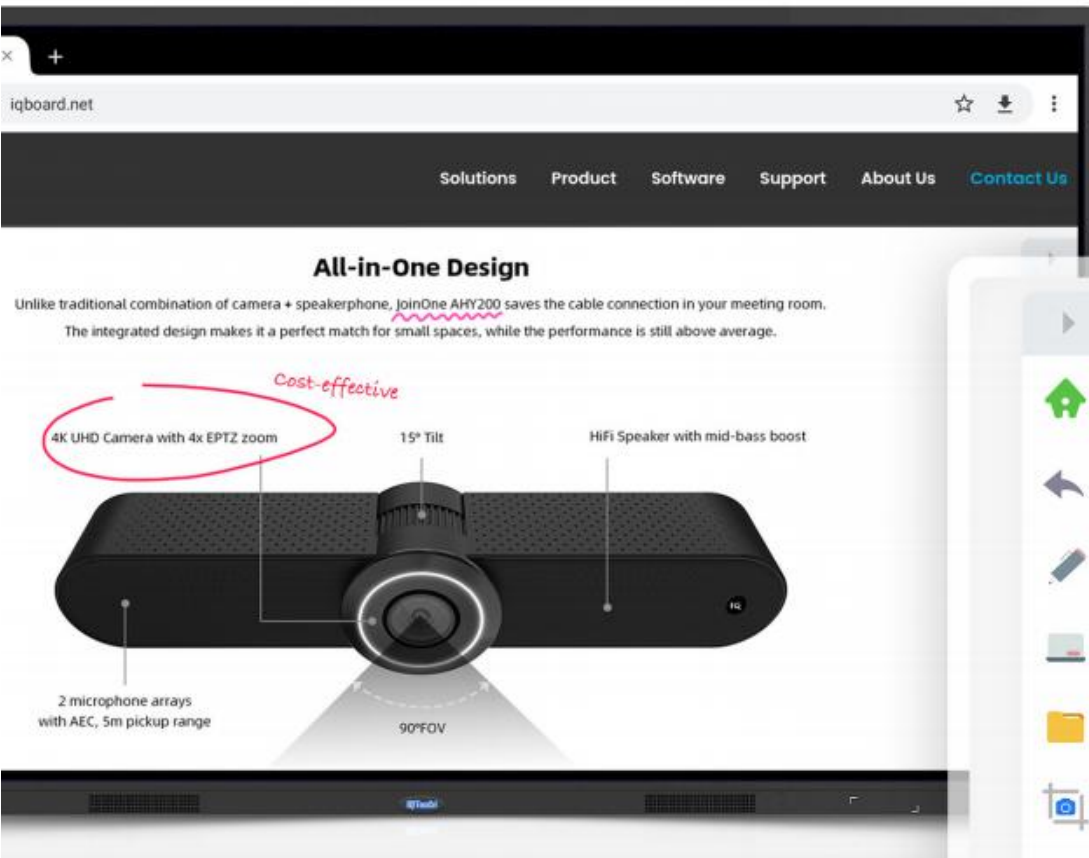

To use with any touch screen, AHY200's built-in whiteboard app allows the speaker to have annotations freely for presentation. It also supports direct access to the files on your personal cloud drive, such as Google Drive and OneDrive.

# Mark your thoughts anywhere

Besides the whiteboard app, users can also annotate on any other page if needed. The handy toolbar on both sides of the screen makes it convenient to activate annotation tools so that your presentation goes smoothly.

# Hardware Highlights

**CPU: 6 core  
(A73\*2+A53\*4)**

**RAM:4G DDR4+ROM:16G**

**Android 9.0**

**Bluetooth 5.0**

**Dual-band Wifi  
(2.4G/5G)**

**1000M LAN**

# Flexible Mounting Options

Whether just leave on the table, clipped on the top of the display, mounted on the wall or stand with a tripod, AHY200 could find its comfortable place in the meeting room without taking up much space.
