

# IQConference Microphone

**S500**

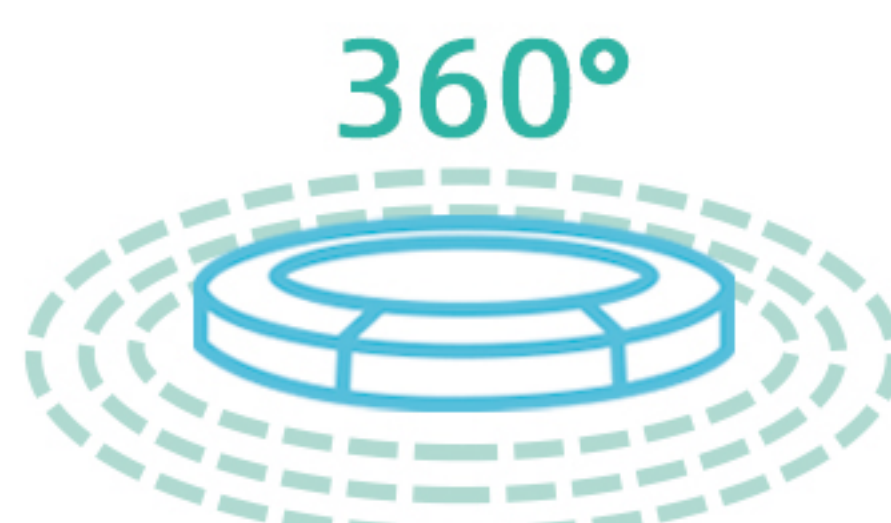

It is a HD omnidirectional microphone speaker, with touch buttons and 3D gesture microphone control system. It's very easy and convenient to start your meeting with just one USB cable. Full-duplex communication makes two-way communication smoother.

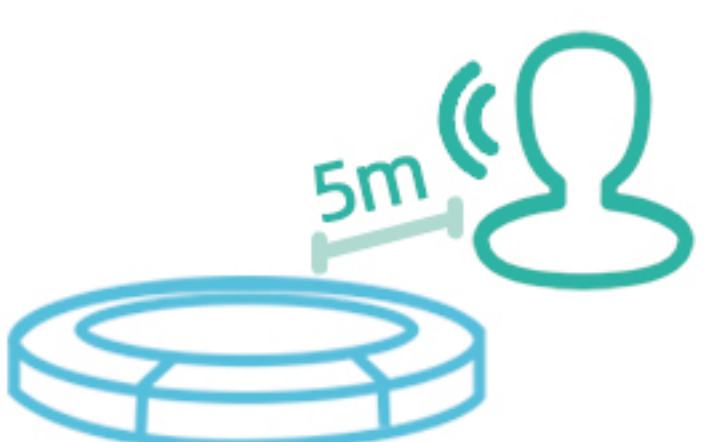

Use touch buttons

Full duplex communication

360-degree for the pick-up range

5 meters for the pick-up distance

Gesture control power on/off

High SNR
